

Izethembiso ZeNkosi

Ncandweni Christ Ambassadors

Izethembiso zeNkosi Jesu
Zimi nguna ngunaphakade. [X3]

Izintaba nezinkanyezi
Konke loko kuyoshabalala
Izethembiso zeNkosi Jesu
Zimi nguna ngunaphakade. [X2]

Wethembisile ngezwi lakhe
Akasoze asiyekele. [X3]

Asikho isikhali esiyophumelela
Esilolelwe abangcwele
Ukhon'uJesu oyinqaba yethu. [X2]

Iso elingabonanga ilokh'umoya asikhombisa Kona
Indlebe yethu engakuzwanga ilokh'umoya asizwisa Kona
Ingqondo yethu engacabanganga ilokh'umoya asibonisa Kona

Amehlo ethu akamoya ayakubona konke loko
Okubekelwe abangcwele abanqobile emhlabeni
Indlebe zethu zikamoya ziyakuzwa konke loko
Okubekelwe abangcwele abanqobile emhlabeni

Indandatho yesethembiso ibekiwe enhliziyweni zethu
Nomyeni wethu uselungele ukulanda umakoti wakhe
Lapho siyohlala nomyeni wethu izinhlupho zingasekho

Ayibalwa iminyaka ubusuku akusekho

Ayibalwa iminyaka ubusuku akusekho. [X2]

Kulungile bazalwane noma singahlushwa ngenxa yevangeli. [X3]

Amehlo ethu akamoya ayakubona konke loko
Okubekelwe abangcwele abanqobile emhlabeni. [X2]
