

# Alexandria

## Louisa John-Krol

Far across the sea  
A piece of history  
In Egypt's land  
I'll build a city  
Beautiful and strong  
Beyond belief  
A new metropolis  
To redefine my destiny  
Rise and shine Alexandria  
Under protection of my name  
Pure, divine and imperial  
A place to watch the stars  
The center of the earth  
I see it all  
My world's converging  
And to guide a king's armada  
Through the night  
I raise the seventh wonder  
To delight Poseidon  
Rise and shine Alexandria  
Under protection of my name  
Pure, divine and imperial  
Make me the city of a living angel  
Casting shades all over Babylon  
Hailing me, a holy Son of God  
As a monument of time  
And the goals that I achieved  
Make a sculpture of my mind  
Rise and shine Alexandria  
Under protection of my name  
Pure, divine and imperial  
You are a golden age  
proclaimRise and shine Alexandria  
Under protection of my name  
Pure, divine and imperial
