

# Formaldehyde

## Haemorrhage

Bloodstained hands  
Bloodstained walls  
Dissecting is funnyyyyyyyy!!!  
I can't stop my addiction to rot  
Narcotic effluviumssss!!!  
Injecting... Injecting - bursting my veins  
Injecting... Injecting - organicide  
Injecting... Injecting - sick and insane  
Injecting... Injecting - formaldehyde!!!  
Psychotic image, frenetic carnage  
Splattered membersssssssss!!!  
Parts of the corpses in transparent tombs  
Floating foreverrrrrrrrr!!!urning stench of death!!!  
Formaldehyde!!!
