Better

Tye Tribbett

When I'm low and feeling down and out, I get discouraged
Overtaken by the weight of all the things I've carriedIt seems
The only faithful thing is (ME)
I feel alone in the (struggle)
My life is flooded by all the (pain)
I'm burdened down by all the (trouble)Then I realize that I still have youYou make all things better
Being with you makes all things better
When the darkness closes in and I can't see daylight
I confused at night don't know what to do with my lifeThe only faithful thing is (ME)
I feel alone in the (struggle)
My life is flooded by all the (pain)
I'm burdened down by all the (trouble)
Then I realize that I still have youYou make all things better
Being with you makes all things betterI may not be finished
But I'm getting better
Still may have some scars
But you make it betterI may not be healed
But I'm like the lepers
As long as I keep on walking
You make it betterThe past is behind me
I'm moving ahead
The road may not be easy
But you make it betterYou make all things better
Being with you makes all things better
Better
Better
Better
BetterBetter
You make it Better
With you is Better
Everything's better
Better
You make it Better
With you is Better
Everything's better
Better
Better
Better
Better
