

# Now You See It (now You Don't)

## Ozzy Osbourne

Overbearing woman makin' it so hard for me  
Now you've laid it down for all to see, yeah  
Can I ask a question, do you think that you can take a blow?  
This is why I always come and go, yeah  
Now you see it, now you don't, yeah  
Careful of words that get caught in your throat  
Face the music, take it like a man  
Givin' it to me anyway that you can, yeah  
Everybody's feeling  
Everything you've got to feel  
I've got something  
That you can't conceal, yeah  
Now you see it, now you don't, yeah  
Careful of words that get caught in your throat  
Face the music, take it like a man, yeah  
Givin' it to me anyway that you can  
Now you see it, now you don't  
Now you see it, now you don't  
Now you see it, now you don't  
Now you see it, now you don't  
Now you see it, now you don't  
Now you see it, now you don't  
Give me central heating, hope that I can pay the bill  
Making me forget my fear of hell, yeah  
Must be luck in odd numbers, now you face me upside down  
I'm so far up, I'm afraid to come back down, yeah  
Now you see it, now you don't, yeah  
Careful of words that get caught in your throat  
Face the music, take it like a man  
Givin' it to me anyway that you can
