

Your Way

Chico DeBarge

Understand, babe
Yo se que no me tienes confianza
Pero esta bien
Despues que tu tienes confianza
Eso es que vale mi amorYo quier que tu me use
Para que te haga el amor
Yo quiero explotar algo dentro de ti
Voy directame al miedo
Adonde te gustaTrue love, I'm for sure
That I can give, give you my all, babe
I won't trade you for another treasure, baby
As long as you'll stay my girlI won't give up never, my love
I'll stay awake for help from above
Before every eye on the earth
I'll show you what it's worth, babyOh babe, have it your way, baby
Oh baby, go baby, yeah
Oh baby, have it your way, oh babe, oh
Check itHagalo come te gusta
Ven buscalo cuando quieras
Hagalo come te gusta
Ven buscalo cuando quieras, oh babeI won't give up never on the love
I'll stay awake for help from above
Before every eye on this earth
I'll show you what it's worth, babyOh baby, have it your way, baby
Oh, if you stay baby, yeah
Ooh, ooh, oh baby, ooh, ooh, ooh
Ooh, ooh, oohYes baby, yeah babe, oh baby
Oh baby, baby, yes mama
Oh baby, no way that I'm gonna let you down, baby
Oh lover, umm, how could I babyYou're so beautiful, ah
So nice, so nice
Said I love ya baby
