

Gypsy Caravan

Wolfmother

I've been living on top the mountain, aye
You don't think I'm ever coming down
I'm looking at things that seem to catch my eye
Wandering around from town to town

Won't you take me to the
To the gypsy caravan?
(To the gypsy caravan)
We can live together
Where the ocean meets the sand
(To the gypsy caravan)
Won't you take me to the
To the gypsy caravan?
To the gypsy caravan

I'm looking at things that tried to catch your eye

...

The bolts of lightning tried to strike you down
The behemoth is awaiting at the door

Won't you take me to the
To the gypsy caravan?
(To the gypsy caravan)
We can live together
Where the ocean meets the sand
(To the gypsy caravan)
Won't you take me to the
To the gypsy caravan?
To the gypsy caravan

I see the gypsy caravan arrive
I wonder where it's gonna go

Won't you take me to the
To the gypsy caravan?
(To the gypsy caravan)
Won't you take me to the
To the gypsy caravan?
(To the gypsy caravan)
Won't you take me to the

To the gypsy caravan?
