

Little Diane

Dion

Diane...Down deep inside I cry
Diane...Without your love I'd die
Diane...You know you drive me wild...Diane
You're such a little evil child ya ya yaYa, I wanna pack and leave and slap your face
Bad girls like you are a disgrace
A way down deep inside I cry
Without you little Diane I'd dieI should drag you down 'cause you're no good
You're two-faced, your heart's made of wood
A way down deep inside I cry
Without you little Diane I'd dieListen to my heart
Oh you're tearin' it apart
Oh why don't you understand
Why don't you stop it! stop it!
Stop it if you canI want to spread the news that you're untrue
But Diane what good would it do
'Cause way down deep inside I cry
Without you little Diane I'd die, I'd dieYa! Don't you understand DianeI said ya, ya, yaI said listen to the beat
Oh I feel it in my feet
Now it's my heart Diane
Why don't you stop it! stop it!
Stop it if you canI want to spread the news that you're untrue
But Diane what good would it do
'Cause way down deep inside I cry
Without you little Diane I'd die, I'd dieOh yeah
