

Champion of Love

Greater Vision

Ladies and gentlemen, may I have your attention
I want to introduce to you
In this corner of the good and the right
Stands a champion robed in white
His height exceeds the heavens His weight outweighs the world
His reach reaches everywhere His age is evermore

He is Higher than the highest, greater than the great
No one will ever take His crown away
He's more mighty than the mightiest He reigns from above
He's the all-time, undisputed, undefeated Champion of Love

He left His hometown to enter the arena to raise His in victory for me
An angry crowd crucified this King who wore their crown
And they gladly watched the champion going down
But I will never count Him out for I'm a witness of
The day He arose to retain the title, "Champion of Love!"
