# Halo

## Isabela Moner

HALO ~ ISABELA MONER

hey aye
remember those walls i built
well baby their tumbling down
and they didn't even put up a fight
and they didnt even make a sound
i found a way to let ya in
but i never really had a doubt
standing in the light of your halo
oh oh ooh

I've got my angel now
its like I've been awaken
every rule had you breakin
its the risk that I'm takin
i ain't never gonna shut you out

everywhere i'm now
i'm surrounded by your embrace
baby i can see your halo
you know your my savin grace
your everything i need and more
its written all over your face
and baby i can see your halo
pray you won't fade away
i can feel your halo
and i can see your halo

and i can feel your halo
halo oohh
hit me like a ray of sun
burn in through my darkest nights
and your the only one that i want
and I'm addicted to your light
i swore i'd never fall again
but this don't even feel like fallin
and gravity came again
to pull me back to the ground again
i can feel your halo

and i can see your halo

i can see your halo
halo ooh oooh ooooh oh
oh oh ooh ohh hooo ohh ohh
oho hoo hoooo hoo hooo ho
halo
