

# Seeing Is Believing

L. V. Johnson

Seeing is believing  
And in my arms I see her, she's here  
Really here, really mine now  
She seems at home here  
Seeing is believing  
I dreamt that it would be her  
At last life is full, life is fine now  
Whatever happens one thing is certain  
Each time I see a train go by  
I'll think of us, the night, the sky, forever  
He's young, very young but appealing  
I feel I know him  
Seeing is believing  
And I like what I see here  
I like where I am what I'm feeling  
What are we doing? Can you believe it?  
A starving actress and a star-struck boy  
Oh, well I might as well enjoy this moment  
Can you believe it?  
Seeing is believing  
I never thought I'd be here  
Is this really me? Am I dreaming?  
No way of knowing where this is leading  
It's fun forgetting who we are  
Who cares  
When now the world is far  
Behind us?  
Seeing is believing  
My life is just beginning, we touched  
And my head won't stop spinning  
From winning
