

# Absence of Fear

## War Of Ages

Inside my skin

There is this space...

It twists and turns

It bleeds and aches

Inside my heart

There's an empty room.

It's waiting for lightning;

It's waiting for you

I am wanting and...

I am needing you here

Inside the absence of fear

Muscles and sinew

Velvet and stone...

This vessel is haunted

It creaks and moans

My bones call to you

In their separate skin.

I make myself translucent

To let you in, for..

I am wanting, and...

I am needing you here  
Inside the absence of fear  
There is this hunger  
This restlessness inside of me  
And it knows that you're no stranger,  
You're my gravity  
My hands will adore you  
Through all darkness, and aim  
Lay you out in moonlight  
And reinvent your name  
For I am wanting, and...  
I am needing you  
To be here...  
I need you near...  
Inside the absence of fear.
