Skin

R. Kelly

I'll be touching your skin
Kissing your skin, feeling your skin
I'll be touching your skin
Kissing your skin, feeling your skinI feel like Ive been just let out of a cage, girl
Cause for so long for you Ive had this crave, girl
I've waited patiently and now youre ready
And I can tell you feel being sexy when you smile at meWell, enter, take it off, c'mere
Oh, youre so soft, see I would be your toy
Play with me like Lego, Im your soldier boy
Girl, you'll get no angelYou skin so beautiful, sexy, so beautiful
I can't wait to find it, ride it, grind it
But first, girl will you wind it, wind it
Wind it for me, yeah, yeah?And girl before we get into it
Tease me, baby, baby
Tease me, baby, baby
Heres a preview of whats about to go downI'll be touching your skin
Kissing your skin, feeling your skin
I'll be touching your skin
Kissing your skin, feeling your skinGirl, I'll be flipping your body
So I hope you acrobatic
Girl, you want my body
And I'm tryna be your habitAnd Ill push it and grab it
Im in you, youre screaming
I wanna treat it like my house
If I could Id live up in itEnter, take it off, c'mere
Shawty you're so soft
I wanna lay you down and hit it cause my body been
Waiting, waiting, waiting, patiently waitingAnd now that youre givin it to me I cant take it
Take it, take it, girl I can't take it

You'll be making noises, yey, yey, yeah
Girl, you be screaming deeper
I'll be going deeper, of courseI'll be touching your skin
Kissing your skin, feeling your skin
Girl, I'll be touching your skin
Kissing your skin, feeling your skinLights of come jump on it baby, on it baby
Do you, ooh, ooh, want it baby, want it baby?
Shawty your skin is so delightful
The sex that we havin is so monumentalMaking love over and over again

Looking at your body, did you get a tan?
The way your body works from the touch of my hand
Thought you was a snake when I touched your skin, yeahEnter, take it off, c'mere
