Is This Love

Survivor

I've heard talk of blind devotion Lovers through thick and thin Lives touched with real emotion

Faithful 'til the bitter endNow, I must admit that the story's attractive

I've lost in far too many affairs

I've seen all the pain that the morning can bring

I need to prove to myself this is more than a crush

Can you convince me it's not just the physical rushIs this love that I'm feelin'?

Is this love that's been keepin' me up all night?

Is this love that I'm feelin'?

Is this love? So many nights in blind confusion

I've walked the line of love

We reach out in disillusion

When one night isn't nearly enoughNow, I'd like to know that for once in my life

I'm sure of what tomorrow may bring

I've heard all your talk, can I take it to heart?

Now look me straight in the eye 'cause tonight is the night

We've got to ask each other if the moment is rightIs this love that I'm feelin'?

Is this love that's been keepin' me up all night?

Is this love that I'm feelin'?

Is this love? I've tread those mean streets, blind alleys

Where the currency of love changes hands

All touch, no feeling, just another one night stand

I need to know that there's someone who cares

Could you be the angel to answer my prayers? Is this love that I'm feelin'?

Is this love that's been keepin' me up all night?

Is this love that I'm feelin'?

Is this love? Is this love that I'm feelin'?

Is this love that's been keepin' me up all night?

Is this love that I'm feelin'?

Is this love? Is this love?
