

When Can I See You

Kirk Whalum

When can my heart beat again?
When does the pain ever end?
When do the tears stop from running over
When does, "You'll get over it" begin? I hear what you're saying
But I swear that it's not making sense
So when can I see you? When can I see you again?
When can my heart beat again?
When can I see you again?
When can I breathe once again?
And when can I see you? When does my someday begin?
When I'll find someone again
And what if I still am not truly over
What am I supposed to do then, babe? Do you see what I'm saying
Even if, if it's not making sense?
So when can I see you? When can I see you again?
When can my heart beat again?
When can I see you again?
And when can I breathe once again?
And when can I see you again? Yeah, baby
Do you see what I'm saying
Even if, if it's not making sense, baby?
So when can I see you again? When can I see you again?
Can my heart beat again, baby?
When can I see you again?
And when can I breathe once again?
And when can I see, babe, again? Wanna see you again
Again
