

# Lotus Intro

## Christina Aguilera

Oh Oh Aah Eeh Aaah Eeh Ah (repeated) Song bird rebirth unearthed creature  
Submerge from hurt pain broken pieces  
Emergency heartbeat increases  
Rise up Lotus rise this is the beginning  
This is the beginning (x3) Song bird rebirth unearthed creature  
Submerge from hurt pain broken pieces  
Emergency heartbeat increases  
Rise up Lotus rise this is the beginning  
And Now the Lotus rises, we are never dying  
forever flying and always surviving Oh Oh Aah Eeh Aaah Eeh Ah (repeated) Song bird rebirth unearthed creature  
Submerge from hurt pain broken pieces  
Emergency heartbeat increases  
Rise up Lotus rise this is the beginning  
This is the beginning (x3) Song bird rebirth unearthed creature  
Submerge from hurt pain broken pieces  
Emergency heartbeat increases  
Rise up Lotus rise this is the beginning  
This is the beginning (x2)(yeah woo) To the sky I rise  
Spread my wings and fly  
I leave the past behind and say goodbye to the scared child inside  
I sing for freedom and for love  
I look at my reflection embrace the woman I've become  
The Unbreakable Lotus in me, I now set free
