

100,000 Years

Kiss

I'm sorry to have taken so long
It must have been a bitch while I was gone
You mind if I sit down for a while?
You'll reacquaint yourself with my style Well, how could you have waited so long?
It must have been a bitch while I was gone
All this time you put up a fear
For a 100,000 years I'm sorry to have taken so long
It must have been a bitch while I was gone
All this time you put up a fear
For a 100,000 years Baby, won't you let me?
I think I'm goin' out of my head
I'm just about to, ooh yeah I'm sorry to have taken so long
It must have been a bitch while I was gone
You mind if I sit down for a while, would you babe?
You'll reacquaint yourself with my style
