Heaven Is Falling (feat. AERO)

Aligator

There's a fire around,
heaven is falling down.See the stars all around,
heaven is falling.Is there anybody out there?
Heaven is falling.
Is there anybody out there?
Heaven is falling (falling, falling, falling, falling)Heaven is falling.
Is there anybody out there?
Heaven is falling.If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your fucking hands up!Put your fucking hands up!Your desire is mine.
Take me higher than life. (Heaven is falling)Is there anybody out there?
Heaven is falling.
Is there anybody out there?Put your hands up.Is there anybody out there?
Heaven is falling.
Is there anybody out there?
Heaven is falling.If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your-put your hands up.
If you're ready for the drop, then put your fucking hands up!Put your fucking hands up!
