

# Fishnet Stockings

## Mad Marge and the Stonecutters

Well my sweet baby wears fishnet stockings  
When she starts a rockin' there ain't no stoppin'  
Singin' wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings  
Well she's got a pair in pink, she's got a pair in red  
When she puts the black ones she makes me loose my head  
Singin' wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop baby there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings  
One time Well she's got a pair in pink, got a pair in red  
When she puts the black ones she makes me loose my head  
Singin' wop bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings  
Rock it again now [Incomprehensible] well my sweet baby wears  
fishnet stockings  
When she starts a rockin' there ain't no stoppin'  
Singin' wab bop a doo dop fishnet stockings  
Shoo wop a doo dop when she's rockin'  
Bop bop a doo dop there ain't no stoppin'  
Rockin' with my baby in her fishnet stockings
