I Wish You 666

Blowsight

This bullet's got your name
I defy the life that covered you in shame
Well I tried to push it down
The fortune/fame
The world is sweet without the games
So sweet without the gamesSo
Pin me down! I've been giving you reasons
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
Pin me down! Now I'm giving you needles
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
(And when it all comes down)
I wish you 666There's nothing I can't do
But I know my line and I wish that you could too
And as I work the soil you burn in flames
The world is sweet without the games
So sweet without the gamesSo
Pin me down! I've been giving you reasons
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
Pin me down! Now I'm giving you needles
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
(And when it all comes down)
I wish you 666So tell me who you are
I don't need to be this devil by the stars
I don't want to stay
I know I've gone too far
I don't need to be this pain inside you
Pain inside youPin me down! I've been giving you reasons
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
Pin me down! Now I'm giving you needles
Spit me out! Got a feeling, it's time to go
Or I'll be trapped foreverPin me down! I've been giving you reasons
Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
Pin me down! Now I'm giving you needles

Spit me out! Got a feeling, it's time to go
Or I'll be trapped forever
(And when it all comes down)
I wish you 666!
