

Sex and Candy

Marcy Playground

Hangin' round downtown by myself

And I had so much time

To sit and think about myself

And then there she was

Like double cherry pie

Yeah there she was

Like disco superfly

I smell sex and candy here

Who's that lounging in my chair

Who's that casting devious stares

In my direction

Mama this surely is a dream Hangin' round downtown by myself

And I had too much caffeine

And I was thinkin' 'bout myself

And then there she was

In double platform suede

Yeah there she was

Like disco lemonade

I smell sex and candy here

Who's that lounging in my chair

Who's that casting devious stares

In my direction

Mama this surely is a dream

Mama this surely is a dream

Yeah mama this must be my dream
