

# Time Of My Life

## Patrick Wolf

From the east to the south  
I tongue the roof of my mouthTo new days of doubt without youFirst gear  
I face the trouble ahead  
Final word has been said  
Long distance spread between us  
I tell myself toHold on  
It won't be long  
Till I grow through this struggleTime to wake up  
Find my soulHappy without you  
Happy without you  
Happy without you  
Happy without you  
Happy without youNot called for weeks now  
Six days without sleep means  
I am a slave to my early grave  
If I do not be brave, behave  
Seize myself out of this mess  
I have created of myself, yet again  
Yet again I sayHold on  
It won't be long  
till I grow through this struggleTime to wake up  
Find my soulHappy without you  
Happy without you  
Happy without you  
Happy without you  
Happy without youWe go on  
Heart beats strong  
Still whole  
Unbroken  
As we divide  
Our love, goodbyeThanks for the time  
Time of my lifeHappy without you  
Happy without you  
Happy without you  
Happy without youTime  
Time  
Of my lifeTime  
Time  
Of my life (So happy without you)Time
