Anacrusa

[unknown]

I wish it could be so true
I wish it could be so true
cause I thought that I was you
but a song there's for you
I thought that I was you
oh yeah
yeah
I wish it could be so true
I wish it could be so true
cause I thought that I was you
but a song there's for you
I thought that I was you
oh yeah
yeah
I miss you
I really do
yeah you
