

# It Won't Be Like This For Long

**Darius Rucker**

He didn't have to wake up  
He'd been up all night  
Laying there in bed listening  
To his new born baby cry  
He makes a pot of coffee  
He splashes water on his face  
His wife gives him a kiss and says  
It gonna be OKIt wont be like this for long  
One day soon we'll look back laughin'  
At the week we brought her home  
This phase is gonna fly by  
So baby just hold on  
It wont be like this for longFour years later bout four thirty  
She's crawling in their bed  
And when he drops her off at preschool  
She's clinging to his leg  
The teacher peels her off of him  
He says what can I do  
She says now don't you worry  
This will only last a week or twoIt wont be like this for long  
One day soon we'll look back laughin'  
At the week we brought her home  
This phase is gonna fly by  
So baby just hold on  
It wont be like this for long
