There is no way to save the world
because the world is already mine and no hope for humanity corrupted
and so blind! And no hope to see the light,
no hope to see the day, no hope, no hope!!!!!
There is no hope for victory, you'll die White Warrior,
DIE, and burn inside my Hell for eternity...
your soul belongs to me since the beginning of it all,
surrender now, surrender or uselessly fight me...
so you'll soon know what's the difference between you, man, and me...
Belzebu!!!
