

# Why Do I Love You

## Westlife

Suddenly she's leaving  
Suddenly the promise of love has gone  
Suddenly, breathing seems so hard to do  
Carefully you planned it  
I got to know just a minute too late, oh girl  
Now I understand it  
All the times we made love together  
Baby, you were thinking of him  
Why do I love you? Don't even want to  
Why do I love you like I do? Like I always do  
You should've told me, why did you have to be untrue?  
Love you like I do, why do I love you like I do?  
Ain't gonna show no weakness  
I'm gonna smile and tell the whole world I'm fine  
I'm gonna keep my senses but deep down  
When no one can hear me, baby I'll be crying for you  
Why do I love you? Don't even want to  
Why do I love you like I do? Like I always do  
You should've told me, why did you have to be untrue?  
Love you like I do, why do I love you like I do?  
Can't go back, can't erase  
Baby your smiling face oh no  
I can think of nothing else but you  
Suddenly, suddenly  
Why do I love you? Don't even want to  
Why do I love you like I do? Like I always do  
You should've told me, why did you have to be untrue?  
Love you like I do, why do I love you like I do?  
Like I always do  
Why do I love you? Don't even want to  
Why do I love you like I do? Like I always do  
You should've told me, why did you have to be untrue?  
Love you like I do, why do I love you like I do?  
Like I always do  
Love you like I do? Like I always do  
Love you like I do? Like I always do  
Love you like I do? Like I always do  
Why do I love you?  
Don't even want to

Why do I love you like I do?
