From the Start

Rachelle Ann Go

Endless, well be together always
And I will hold forever
This love that we have come to know
We'll always stay In love this way
Until forever and a day
And I will never ever change
'Cause you are all my eyes can see
It's everlastingBridge:Promise that you'll always love me
That I will be your one and only
And that you'll hold me til eternityRefrain:Say you'll keep me in your heart
Promise me, well never part
I can only love you so much more
'Cause you are all I'm living for
And the only thing Id do
Is to give my love to you
And forever you'll be in my heart
The way I've always loved you from the startHold me like you've never done before
Let me dream away my life
Let me spend this night away until it's morning
Love me, say you'll never leave me
Even if tomorrow
There will be no more sun to shine
You're all that matters(Repeat Bridge)
(Repeat Refrain 2x)
