Wrap It Up

Eurythmics

I've been watching you for days now baby
I just love your sexy ways now baby
You know my love will never stop now baby
Just put your loving in my box babyWrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take itNo more will I shop around now baby
You know I've got the best thing in town now baby
I've seen all I wanna see baby
What your loving means to me now babyWrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take itI'm gonna treat you like the queen you are
Give you sweet things from my candy jar
You've got treats you ain't ever used
Give it, give it to me it won't get abusedI've been watching you for days now baby
I just love your sexy ways now baby
You know my love will never stop now baby
Just put your loving in my box babyWrap it up, I'll take it
Wrap it up, I'll take it
Wrap it up, I'll take it
