

Livvin

Nxworries

Let's get it
Yes lawd!
I'm living
So surviving, three spares, 100K on the milage
Let's get it
In the city of the flawless women, my God, look at all these bitches
A long way to get out here, but there's a drought here
And I'm winning
Oh, yeah
Let's get it
I don't care, there's no fear
I'm living
You niggas thought I was ruined
They say, "how did you do it?"
Nothing but the ambition
Yeah, yeah, yeah
Let's get it
I'm livin'
It ain't all about the money, you dummy
But if it's out here, why don't you get it
Gettin' it, livin' it
I'm livin'
Yes lawd!
I'm living
Oh yeah, yeah, yeah
I'm livin'
