

# Superwoman

## Mumzy Stranger

You're so hot, you make my body rock, girl  
Everything you do is super supernatural  
Everything I need, well girl, you're so hard to play  
If you don't... mama I can make your body swing  
Miss me, miss me, gave you all you need  
Every time I look for you girl you seem to fade away  
I searching for you night and day  
Girl I just fish it there's flying away  
I'm trying to follow you, follow you, escape  
It doesn't matter, doesn't matter, you got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my? They got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my?  
You're superfast, everywhere you go, where you come from, baby I don't know  
And now I reach you, never let you go, off the feeling's mutual  
I know that I'm wanting your love, I'm sure that it's more than a quest, girl  
I gotta find you  
I searching for you night and day  
Girl I just fish it there's flying away  
I'm trying to follow you, follow you, escape  
It doesn't matter, doesn't matter, you got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my? They got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my? Superwoman,. woman,. woman  
Superwoman,. woman,. woman  
Just clap it, clap your hands, shake your booty, clap your hands  
Shake your booty, stop your feet  
Baby girl, baby girl, come on  
I searching for you night and day  
Girl I just fish it there's flying away  
I'm trying to follow you, follow you, escape  
It doesn't matter, doesn't matter, you got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my? They got me saying  
Have you seen my superwoman, have you seen my? Got me saying  
Have you seen my superwoman, have you seen my?  
Seen my? Have you seen my superwoman?

Have you seen my superwoman? Have you seen my superwoman?
