

Knocked Out (Pettibone 12")

Paula Abdul

I was in love the moment that
I saw you
I followed you through the crowd and I almost lost you
I was dying to tell you but scared of your reaction
But I can't hold back because I'm rushed
With this thing called passion[Chorus:]
You've got me knocked out turn me inside out
It's you that makes my heart beat
You've got me knocked out
Baby there's no doubt
You swept me off my feet I walked your way hoping that
Maybe you noticed
I don't want to move so fast
I don't want to blow it
Never did I think love could be so amazing
But the things that you're making me do
It's driving me crazy[Chorus: x2] I want us to be closer, boy I want to be
Startin' something with you baby
My heart is steady knocking boy you've got my body rocking,
Caught blow-by-blow, love T.K.O.[Chorus: x2]
