

Traintime

Cream

See the old train go down the track
Hear the wheels go clicketty clack
It's comin' home, comin' home
Leavin' town baby, ain't comin' home no more
Get the train, you know why I'm leavin'
No use in greavin', well I'm leavin'
Well I'm leavin' town
Leave town, ain't comin' home no more
Traintime baby, traintime almost here
Traintime baby, traintime almost here
So give me one more time do dah yeh
Traintime baby
Traintime baby
Bye bye baby
Bye bye
Bye bye
Bye bye
Bye bye
Bye bye
Bye bye baby
