

# Panther Dash

## The Go! Team

(Ready, ready?)

[Repeat x2]

I heard a knock at the door  
It's mama calling my name  
She said get up off the floor  
I heard her going insane  
She said your friend's on the phone  
I said to her, can it wait?  
But then she started to moan  
No time, cos I'm running late

[Repeat x2]

Nobody's ever gonna,  
I do just what I wanna  
I'm bad and I'm not sorry  
And you will never stop me

[Repeat x2]

No you will never stop me

[Repeat x8]

Nobody's ever gonna
