La La La

Mike Krol

Oh Mama i'm not depressed
Just had a few things to get off my chest
Don't you worry i'll be just fine
Things have a way of working out in time
La La La (lots of times)
I'm out here
And you're out there
But here me when i say
La La La (lots of times)
Oh we'll be okay someday
Hey sister how have you been
I wanna visit you but i don't know when
Across the ocean across the sea
I wish you were here
Closer to me
La La La (lots of times)
I'm out here
And you're out there
But here me say
La La La (lots of times)
Oh we'll be okay
Someday
