We Are Never Ever Getting Back Together

Fifth Harmony

Normani:
I remember when we broke up, (Ally: The first time)
Saying this is it, I've had enough,
We haven't seen each other in a month
When you, said you (with Fifth Harmony: needed space)Lauren:
Then you come around again and say
I miss you and I swear I'm gonna change
Remember how that lasted for a day
I sayCamila:
I hate youNormani:
We break upDinah:
You call meAlly:
I love youDinah:
Oooh we called it off again last night, butNormani:
Oooh, this time I'm telling you, I'm telling youFifth Harmony:
We (Camila:are never ever ever) getting back together
We (Camila:are never ever ever) getting back together
You go talk to your friends talk
To my friends talk to me
But we (Camila:are never ever ever) getting back togetherAlly:
I'm really gonna miss you picking fights
Falling for it screaming that I'm right (Normani: And you)
Will hide away and find your piece of mindCamila:
With some indie record
That's much cooler than mine, ooh.Dinah:
We called it off again last night butCamila:
Ooh.Normani:
This time I'm telling you,Fifth Harmony:
We (Lauren:are never ever ever) getting back together
We (Lauren:are never ever ever) getting back together
You go talk to your friends talk
To my friends talk to me
But we (Lauren:are never ever ever ever getting back together)
