

Handshakes

Metric

Say you wanna get in
And then you wanna get out
When you get the money
To buy yourself a castleHow will you wear your leisure?
You zipper back and front
On the fence together
Weekends in leatherFlip to the right
And slip back to the left
For handshakes at the ranch
And small talk at the crossroadsRubbing up to the ladder
Sucking on every rung
Coming up forever
And hanging onThat's entertainment
Where my camera's roll
Can you face the pavement
For a happy dog and pony show?Everybody loves you baby
Off course they do
Do you miss me?
I miss youBuy this car to drive to work
Drive to work to pay for this car
Buy this car to drive to work
Drive to workBuy this car to drive to work
Drive to work to pay for this carBuy this car to drive to work
Drive to work to pay for this carSay you wanna get in
And you're gonna get out
But you won't
'Cause it's a trap
