

The West Side Oak

Don DiLego

Take me on a long ride (west side oak)
Deep in the sunshine (west side oak)
And carry my ego (west side oak)
Farther than my feet will (west side oak)
Once we get to water
We'll jump in that river (west side oak)
And drown my sweet un...
forgiving heart So many faces (west side oak)
Covered in romance (west side oak)
Gasoline courage (west side oak)
Shattered in photographs (west side oak)
Once we get started
And once we get famous (west side oak)
I'll pray my fame will
Save my soul I cut my fingers (west side oak)
Cursed my toothache (west side oak)
On a hollow promise (west side oak)
I packed my suitcase (west side oak)
When I get to the wedding
I'll sing my bridesong (west side oak)
And I hope my faint heart
Won't come undone Oooh
Oooh
Oooh

Oooh So take me on a long ride (west side oak)
Deep in the sunshine (west side oak)
And bury my ego (west side oak)
Underneath that big oak (west side oak)
Once we get to water
We'll jump in that river (west side oak)
And pray that she will
Baptize my soul I cut my fingers (west side oak)
Cursed my toothache (west side oak)
On a hollow promise (west side oak)
I packed my suitcase (west side oak)
When I get to the wedding
I'll sing my bridesong (west side oak)
And I'll sing Jesus
What have I done? (west side oak) When I get to the wedding

I'll sing my bridesong
And I'll sing who will love me now?
Who will love me now?
Who will...
Save my soul?Ooh
Ooh

Ooh
Ooh
Ooh
OohWest side oak
West side oak
