

# Last Time

George Nozuka

\_\_ Yezzzer\_\_

never thought id bump into you  
With another guy on your arm  
now i know that i was a fool  
a fool of my girl.

The whole time you were with me  
my friends said i did you wrong  
..uhh  
And now its easy to see  
It just took to long...

It was the last time  
'Cause the last time  
I said goodbye to you x2

dont let him take all of my love  
i knew it was all my fault  
give me just one more try  
it was the last time  
(repeat)

You keep on blocking my calls  
so now i know how it feels  
and it hurts.

What goes around comes around  
This pain is so real.  
I see you two ,so happy.  
dont know what to do(ooh)  
im lost without you (noo..)

It was the last time  
'Cause the last time  
Oooh..  
Dont want to say goodbye  
Dont want to say goodbye to you.

Dont let him take all my love  
I knew it was all my fault

Give me just  
One more try..  
It was the last time.  
(repeat)

chyee  
mama said ..  
"Boy its cheaper to keep her"  
so now i understand why im sick with a fever.  
Thats why i run around with them modles & divas  
Drinking away the pain with the henni and tequila  
if i could take it all back i would  
Id take it back to the days where our love was all good  
when i used to have you on the bed  
instead im listening to the words  
George said.

On the real  
it doesnt matter whats been said or done  
How i feel  
Dont you know that youre the only one..  
Last time,  
i took you for granted  
When you were mine

Please , forget about the last time  
lets talk.

Dont let him take all my love  
I knew it was all my fault  
GIVE ME JUST..  
one more try  
It was the last time.

Ohh whoa Oh ..

Dont let him take all my love  
i knew it was all my fault  
Give me just one try ..  
It was the last time  
(reapeat x2)  
...[FADES]...
