

Nightclubbing

Grace Jones

Louder

Can you hear me?Nightclubbing, nightclubbing

We're what's happening

Nightclubbing, nightclubbing

We're an ice machineWe see people, brand new people

They're something to see

We're nightclubbing, bright white clubbing

Oh, isn't it wild?Nightclubbing, nightclubbing

We're walking through town

Nightclubbing, nightclubbing

We walk like a ghostWe learn dances, brand new dances

Like the nuclear bomb

We're nightclubbing, bright white clubbing

Oh, isn't it wild?Nightclubbing, nightclubbing

We're what's happening

Nightclubbing, nightclubbing

We're an ice machineWe see people, brand new people

They're something to see

We're nightclubbing, bright white clubbing

Oh, isn't it wild?
