

# Take a Breath

**David Gilmour**

Take a breath

Take a deep breath now

Take a breath

A deep breath now

Take a breathWhen you're down is where you find yourself

When you drown there's nothing else

If you're lost you'll need to turn yourself

Then you'll find out that there's no-one elseTo make the moves that you can do

When you fall from grace your eyes in blue

Your every breath becomes another world

And the far horizon's living hellTake a breath

A deep breath nowThis kind of love is hard to find

I never got to you by being kind

If I'm the one to throw you overboard

At least I showed you how to swim for shoreWhen you're down is where you know yourself

That if you're drown there's nothing else

When you're lost you need to find yourself

Then you'll find out that there's no-one else
