Blue Moon

Alysha Brilla

Verse 1
Once in a while when the moon is blue I think of you
Itâ€™s one thing, my eye donâ€™t mind will start to do
Like a movie reel of memories come passing through

Once in a while when the moon is blue I think of you

Chorus
Oh and tonight
Oh tonight
Tonight, Iâ€™m afraid to look at the sky

Cause thereâ€™s a blue moon rising
Thereâ€™s a blue moon rising x2
Thereâ€™s a blue moon rising yeah and I want you, I want you hey
Yeah yeah yeah ey

Verse 2
Once in a while, I find myself looking back
When the night is quiet and sky is painted black
I can taste your breath, I can hear your voice, I can feel your touch

Once in a while, when the moon is blue, I miss you so much

Chorus x3
Oh and tonight
Oh tonight
Tonight, Iâ€™m afraid to look at the sky

Cause thereâ€™s a blue moon rising
Thereâ€™s a blue moon rising x2
Thereâ€™s a blue moon rising yeah and I want you, I want you hey
Yeah yeah yeah ey
