

Real Love (feat. Angela McCluskey)

Christian Rich

You say keep it close

It's too good to be real

I'm a dreamer

It's too good to be real

Too good to be real

I'm a dreamer

It's gotta be real x2

Be real like all

It's gotta be real x2

Starvin' too much

Beneath the rain

You say 'there's no such thing as lovin' too much' Shit is real

Beneath the rain

It's gotta be real x2

Be real like all

It's gotta be real x2

It's gotta be real x2

Be real like all

It's gotta be real x2
