Wonderin'

Drew Seeley

The party is windin down
Nobody else around
Pressed to my chest anticipating
We're dancing the final song
You're gripping my jacket strong
And it's driving me crazy
You shook me a little smile
Feeling you for a while
Tonight gonna make you my lady
You know what I wanna do
I know you're into it too
You don't wanna keep your friends waitingHow can you go
When you know how much I want you baby
Round round we go
Can I act on what I'm feelingYou can say alright
You can say okay
You can't say maybe
Come back another day
You can say hell no
You can say no way
Just don't leave me wonderin
You can say alright
You can say okay
You can say anything
Just don't make me wait
For another night
For another day
Don't leave me wonderin'So I put it out there
You're running you're fingers through my hair
Tell me what does that mean
That you got me so confused
You puttin on your shoes
And now you're grabbing you're thingsHow can you go
When you know how much I want you baby
Round round we go
Can I act on what I'm feelingYou can say alright
You can say okay
You can't say maybe
Come back another day

You can say hell no
You can say no way
Just don't leave me wonderin
You can say alright
You can say okay
You can say anything
Just don't make me wait
For another night
For another day
Don't leave me wonderin'I need to know
Where will this go
It's getting old
Cause you just keep me wonderinYou can say alright
You can say okay
You can't say maybe
Come back another day
You can say hell no
You can say no way
Just don't leave me wonderin
You can say alright
You can say okay
You can say anything
Just don't make me wait
For another night
For another day
Don't leave me wonderin'
