

# Hot Night In a Cold Town

## Uriah Heep

Sonny's out strolling, ambling slowly, washed in  
Amber street lights, a Mexican wind blows in  
Takin' a hold of Angelina's hair and her halo  
Motors running, muffling the sound of the street talk  
A big deal's goin' down in another

Hot night in a cold town  
Got yourself a hot night in a cold town

Johnny's got spare change in his pocket, a ring and a watch  
To hock for a sweet ride, a one way ticket hidden in his shoe  
These last few hours he says, he'll spend them with you  
He's leavin' home without a trace, no forwarding address  
He'll never have to face another

Hot night in a cold town  
Got yourself a hot night in a cold town

Well, the losers and the groovers  
And the corner boys are hangin' around  
Runnin' in and out of doorways, up and down  
The stairways, stray dogs headed for the pound

In another hot night in a cold town, got you  
Got yourself a hot night in a cold, cold, cold town

It's just another hot night in a cold town  
It's just another hot night in a cold town  
It's just another hot night in a cold town  
It's just another hot night in a cold, cold town  
Such a cold town
