

I've Got You Under My Skin

Billie Holiday, Benny Goodman, Louis Armstrong, El

I've got you under my skin
I've got you deep in the heart of me
So deep in my heart, you're really a part of me
I've got you under my skinI've tried so not to give in
I've said to myself this affair never will go so well
But why should I try to resist when darling I know so well
I've got you under my skinSacrifice anything, having you near
In spite of the warning that repeatsDon't you know you never can win
 Use your mentality, wake up to reality
 But each time I do, just the thought of you
 Makes me stop before I beginOh baby under my skin
Baby, baby you under my skinDon't you know that each time I do
 Just the thought of you makes me stop before I begin
 Under my skinNever win, never win
 Never win, never win
 No no, never win, never win
 Never win, never win
 No no, never win, never win
 Never win, never win
 No no, never win, never win
 Never win, never win
