

Nothing To Worry About

Peter Bjorn and John

Do this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutBeggar tune, why always so negative?
If you have problems why don't you go solve them?
Beat me up, at least you won't be out of touch
If you're such a poet use your tongue and show itDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutTrouble seems, trouble seems to follow you
It's always 'round you like some thing you subscribe to
Be prepared there must be something in you
Turning boys to men and then back againDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutDo this thing, this type of thing
Put a little money in this type of thing
I got nothing to worry about
I got nothing to worry aboutNothing to worry about
I got nothing to worry about
Nothing to worry about
I got nothing to worry about
