Drop Dead Gorgeous

Republica

Yeah, yeah

Backward words, he got 'em

Shut up, I'm talkin'

This time, you'll listen

But when I look at you, you're forgiven You drive too fast and

I smoke too much and

My heart is broken

But when I look at you, you're forgiven

You're forgivenI know my ex-boyfriend lies

Oh, he does it every time

It's just his permanent disguise

Yeah, yeah but he's drop dead gorgeousDon't go changin' every time

Not for me to compromise

You're still a friend of mine

Yeah, yeah and you're drop dead gorgeous Yeah end of, stop sulkin'

Get out, you're walkin'

Too bad, I've spoken

But when I look at you, you're forgivenYour lies, don't want 'em

Drop dead, not jokin'

This thing is broken

But when I look at you you're forgiven

You're forgivenI know my ex-boyfriend lies

Oh, he does it every time

It's just his permanent disguise

Yeah, yeah but he's drop dead gorgeousDon't go changin' every time

Not for me to compromise

You're still a friend of mine

Yeah, yeah and you're drop dead gorgeous Yeah, yeah

I know my ex-boyfriend lies

Oh, he does it every time

It's just his permanent disguise

Yeah, yeah, but he's drop dead gorgeousDon't go changin' every time

Not for me to compromise

You're still a friend of mine

Yeah, yeah, and you're drop dead gorgeous I know my ex-boyfriend lies

Oh, he does it every time

It's just his permanent disguise

Yeah, yeah, but he's drop dead gorgeousDon't go changin' every time

Not for me to compromise

You're still a friend of mine Yeah, yeah, and you're drop dead gorgeousYeah, yeah Drop dead
