

Penny Pinching Rainy Heaven Days

Ocean Colour Scene

Every morning traffic
Every night I've had enough
Every day compromise
Life's no surprise after much
Someday people lock themselves away
Saving up for another empty
Penny pinching rainy heaven day
No one talks at night
They scream and fight and say too much
My wife dreams all day
My life says it has heard enough
Someday people lock themselves away
Saving up for another empty
Penny pinching rainy heaven day
Rainy heaven days
Rainy heaven days
Someday people lock themselves away
Saving up for another empty
Penny pinching rainy heaven day
Rainy heaven days
Rainy heaven days
Rainy heaven days
Rainy heaven days
Rainy heaven days
