

# The One to Save You Now

[Micah P. Hinson](#)

Make believe that I'm all fine.  
Make believe that I'm inside.  
Make believe that there is no time to find what you won't believe  
What if I was the one to save you now?  
I wouldn't mind. I wouldn't mind.  
Make believe that you're inside.  
Make believe that you're all fine.  
Make believe that there is always time to find what you won't believe.  
What if I was the one to save you now?  
And I wouldn't mind, I wouldn't mind.
