

# Bad Boy

## Robert Gordon

All the people down the street, whoever you meet  
Say I'm a bad boy, say I'm a bad boy  
Say I'm a bad boy  
Even dear old dad, when he gets mad  
Says I'm a bad boy, says I'm a bad boy  
Says I'm a bad boy  
Ell, you see now, I got a girl  
And we stay out late, almost every night  
Well, the people just stare and they declare  
Well well, it just ain't right  
But if only they knew how I love you  
They'd say a bad boy, could be a good boy  
Who's just in love  
Well, you see now, I got a girl  
And we stay out late, almost every night  
Well, the people just stare and they declare  
Well well, it just ain't right  
But if only they knew how I love you  
They'd say a bad boy, could be a good boy  
Who's just in love  
So much in love  
So crazy in love  
So much in love
